

Why R? 2020 Conference

Warsaw, 27-30.08

R Conferences, R Meetings and Hackathons

spreading
knowledge

A diagram consisting of five hexagonal shapes arranged in a cluster. The top-left hexagon is light grey and contains the text "spreading knowledge". The top-right hexagon is reddish-pink and contains the text "organization and support". The bottom-left hexagon is light beige and is empty. The bottom-center hexagon is reddish-pink and contains the text "international cooperation". The bottom-right hexagon is tan and contains the text "granting scholarships". A fifth, empty hexagon with a thin gold border is located to the right of the top-right hexagon.
